

BSN School Uniform

What your child will need & where to buy it

*From
Foundation 2
to Year 11*

BSN Uniform Shops

Uniform is worn by all students from Foundation 2 until the end of Year 11. The Main School Uniform Shop **is located on our Leidschenveen Campus in the Community Building**. The main shop stocks all items of uniform excluding footwear. The smaller shop, located in the Senior School in Voorschoten, stocks Senior School items only. Payment at both shops can be made by cash, PIN, Master Card or VISA.

New Families

New arrivals are strongly advised to attend the shop with their child, to allow fitting. Extra opening times are planned for new families just before the start of each term. These sessions are by appointment only. Please refer to the school website or BSN Gateway for details of these times. You can also telephone 070 315 4040 or 4077 to find out when the next special opening is or to make an appointment.

Orders

Uniform can be ordered and delivered to you via your child's school. Payment can be made in cash (in a named, labelled envelope) via the School Offices. To order uniform this way, please complete an order form on BSN Gateway. Please note that online payment is not yet available.

What your child will need...

Parents may obtain skirts and/or trousers from other outlets if they prefer, as long as they conform to BSN regulations. Although the regulations allow for some interpretation according to fashion trends, parents are asked to be mindful that older students in particular do not push the boundaries of this flexibility too far...

Minimum skirt lengths in particular are to be adhered to.
