

Year 12 Option Choice Form

Entry in September 2010

The AS/A2 Subjects

The subjects available to students entering Year 12 in September 2010 at AS Level are shown in the blocks below. Most subjects will be available to study at A2 in Y13 also.

A	B	C	D	E
Art	Biology	Business Studies	Biology	Art
Business Studies	Chemistry	Geography	English	Chemistry
Chemistry	Economics	History	Environmental Studies	Design Technology
Further Maths	Theatre Studies	Music Technology	ICT	German
Maths	Physics	Physics	Further Maths	Food Technology
Spanish	French		Maths	PE
	Dutch		Music	Psychology
	Psychology		Study Skills	Physics
				Politics

Students should choose four subjects, each one from a different block (A-E) and write their choice in the relevant box below (therefore, one box below should be left blank). Please note that Further Maths needs to be selected in both blocks A and D. As we expect most students to study only three subjects at A2, please indicate one subject that you intend to study only at AS (and will therefore not take onto A2 level in year 13) by putting that subject name in brackets.

A	B	C	D	E

Please return to the school office for the attention of Nicki Welch.
